The night in a tent, or perhaps a hammock? Why not both! Spend the exciting nordic night in our Suspended Treehouse.

Light a campfire, make some coffee, grill something or just enjoy the nature around you in our forest hut.

The old main building of the site is now fully renovated. You're welcome to spend the night.

There's a plethora of extra room in the upstairs of the Traditional sauna. Sleep tight!

Hungry for some robber's roast? The Finnish delicacy takes around 12 hours to cook to perfection in an underground earth oven. If not, we will gladly prepare you some traditional blazed salmon.

Or how about fine dining indoors? One of our classic dishes is the "Poronkärästys": thin slices of reindeer meat, mashed potatoes and lingonberry jam. Taste the pure flavor of exotic Lapland.
